

# Streamline Migrations With Simplicity and Reliability

Protect your data archives while  
accelerating your journey to the cloud.

Move your archives to the cloud to reduce costs, increase flexibility, and improve support for regulatory compliance.

Compared to traditional migrations,  
Arctera™ Direct Migrator enables you to:

Migrate 4x Faster

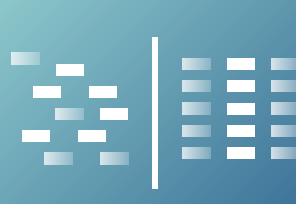

Migrate Over the  
Wire With Full Fidelity

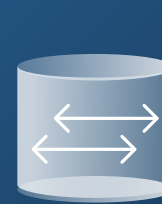

Scale Up and Down  
as Needed

Migrate Discovery  
and Compliance  
Work Products

Apply Classification  
and Retention  
During Migration

Run Parallel to  
Existing Archive and  
Discovery Operations

**2TB**  
archived per day

Direct Migrator is based on  
industry-leading experience,  
with billions of messages migrated.  
And it's fast, archiving more than  
two terabytes per day on average.

Arctera™ Insight Archive provides:

1,400+  
Classification Policies  
and Patterns

130+  
Data Sources  
Captured

Common Clients

Faster Search  
Times and Exports

Deployment Without  
Retraining

## Arctera Is a Recognized Leader in Data Compliance

**7x**

Radicati Market Quadrant Top  
Player in Information Archiving

Only Vendor With Flexible  
Deployment Options

Are you ready to take control of your  
data for a more efficient, cost-effective,  
and compliant future?

Let us help you embark on your migration journey  
and unlock the benefits of Arctera Insight Archive.
